

GRAMMAR SCHOOLS

TO OPEN SEPTEMBER 17—INFORMATION OF INTEREST TO PARENTS

The Glendale Grammar Schools will open on Monday, September 17, 1917. It is very important that every child should enter school on the first day and should thereafter be regular and punctual in his attendance. Any absence may be a serious menace to a child's standing in his classes. Also, since the state and county apportionments of funds are based upon the average daily attendance, absence on the part of the child means a direct financial loss to the district.

School Age

The legal age for entering school is six years. However, an allowance of three months is made. This means that in order to enter the first grade a child would have to be six on or before December 17, 1917. No beginners will be admitted after the close of the first month of the term.

Kindergartens

Kindergartens will be opened at the Columbus avenue, Colorado boulevard, Broadway and Pacific avenue schools. The Columbus avenue and Broadway kindergartens will each take care of two school districts, Columbus avenue, its own and the Central avenue district; Broadway, its own and the Doran street district. The law states the kindergarten age to be from four and one-half to six years. This law is interpreted to mean that the child will have to be four and one-half within three months of the opening of school, that is, on or before December 17, 1917. No allowance is made for over age. Any child who is six years old or older on the day the term begins will not be admitted to the kindergarten. Such child may of course enter school if the parents so desire. In order that the parent may have a choice between the kindergarten and the school, the child must be between five years and nine months and six years old on the day the term begins.

Parents are advised not to send their children to kindergarten until they are at least four years and nine months old for the following reasons: first, we have a kindergarten course of only one year and if a child finishes that before he has attained to school age he will either have to drop out for a half year or take the same work over again in the kindergarten; second, a child of five will get much more out of the kindergarten work than a child of four and one-half.

Superintendent's Office Hours

For any further information call up the Superintendent's office between the hours of nine and four except on Saturdays and Sundays. Telephones: Sunset, Glendale 593; Home, 1363.

Districts

Parents are urged to study the district lines as given below and to send their children to the school in whose district they reside, on the first day of the term. Please note carefully also the grades that each school will enroll. These district lines are subject to change either for a whole school or for separate grades if the first day's enrollment shows such change to be necessary.

Transfers

Children will not be permitted to attend school in a district other than that in which they reside except for good cause. Applications for Special Permits must be made to the Superintendent. Even where such permits are asked for parents are requested to send their children on the first day of the term to the school in whose district they reside. Transfers can be made only after the number enrolled in each grade has been ascertained.

KALEM PLANT SOLD

PATHE COMPANY WILL ENLARGE STUDIOS AND BRING NEW PEOPLE HERE

It is being reported in Glendale that the Kalem Film company's studio on Verdugo Road, Glendale, has been sold to the Pathe company and that the plant will be enlarged and improved and several companies of people brought to Glendale.

The plant has a background of hills and mountains and is surrounded with a variety of scenery that makes the location ideal for a film studio. About a year ago the Kalem company spent several thousand dollars in erecting a new studio and making improvements. Work at the studio was discontinued the past summer and it will be gratifying to see signs of activity around the place once more.

James W. Pearson says the new people who will come into Glendale as a result of this deal are already looking for homes here. G. B. Woodberry, who owns the tract of land on which the plant is located, states that he cannot give out any information in regard to the sale at the present time.

MONSTER SUNFLOWER

Mr. E. Palmer, 324 Adams street, Glendale, has raised the prize sunflower. It is on exhibition in the Glendale Chamber of Commerce show window, where it is stared at with amazement by that big "cucumber serpent."

The "seed department" of this enormous sunflower is 18 inches in diameter. Its extended leaves would make it at least 26 inches in diameter, or over six feet in circumference. Some sunflower! Coining a name, it might be Helios-flora-gigantis, or words to that effect.

A field of such plants would be worth much money for the seed. It must have been one of this ilk which figures in the song, popular with our Civil War veterans in their youth:

"Oh I feel just as happy as a big sunflower."

GLENN CRAIG BITTEN BY RATTLESNAKE

The fishing trip which Mr. and Mrs. Glenn Craig and Mr. and Mrs. Raymond Swain of Burbank were enjoying up in Kern county, was brought to a sudden close last week when a rattlesnake bit Mr. Craig just below the knee.

Mr. Craig was trout fishing when the snake lying concealed behind a rock, struck him. The party rushed him to the Kernville hospital, where treatment was given. At least three quarters of an hour had elapsed since Mr. Craig was bitten, but under the skilled treatment he received at the hospital Mr. Craig's life was saved. It was a narrow escape and his many friends are congratulating him. Mr. and Mrs. Craig have returned to Glendale and while the leg is swollen Mr. Craig is out of danger.

CHAS. SHROPSHIRE EN ROUTE TO HONOLULU

Chas. T. Shropshire writes to his mother, Mrs. J. P. Shropshire, 445 Everett street, that he with forty others sailed Wednesday for Honolulu on board the German Steamer Schurz, which was seized by the U. S. government on the declaration of war with Germany. Mr. Shropshire enlisted as bugler in the navy during the war and has been stationed for the past few months on the Rainbow at San Francisco, awaiting orders. His address will be, Chas. T. Shropshire, care of U. S. S. Schurz, Pacific Station, San Francisco.

WOMAN'S AUXILIARY

The St. Mark's Branch of the Woman's Auxiliary will meet tomorrow, Friday, afternoon at 3:00 o'clock at the residence of the president, Mrs. W. S. Porter, 823 North Brand boulevard. As this is the first meeting after vacation, it is an important one, and all the ladies of St. Mark's Church and congregation are earnestly invited to be present. It is expected that Deaconess Rearden of St. James' Church will be present and address the meeting.

W. H. & F. M.

The W. H. & F. M. Society of the First Lutheran Church will meet at the parsonage, 1109 West Fifth street, at 7:30 this evening, Thursday. All the ladies of the church and their friends are invited.

The Brotherhood of this church will meet at the same hour in the church, corner Fifth and Maryland. Everybody welcome.

WAR REVENUE BILL CENTER OF FIGHT

ATTACK ON WAR PROFITS SHIFTED TO TAX ON INCOMES CONSUMPTION TAXES MAY BE STRICKEN FROM BILL

(Special Service to Glendale Evening News)

WASHINGTON, September 6.—The Senate wealth conscriptionists shifted their attacks from war profits to proposed heavy levies on incomes. The fight begins on an amendment by LaFollette seeking 50 per cent. of all incomes in excess of \$47,500. The Simmons-Penrose group proposed such a plan only on million dollar incomes. The LaFollette amendment expects defeat, but the Borah-Johnson crowd hope to force the committee to make substantial concessions rather than carry their own amendment to victory. Senator Trammel of Florida is going to fight to exempt from taxation single men with incomes of \$2000 and married men with incomes of \$3000. The committee figures are \$1000 for single men and \$2000 for married men. Pre-war exemptions were \$3000 and \$4000 respectively. Indications are that consumption taxes on tea, sugar, coffee and other necessities will be stricken from the bill.

GERMANY WILL AGAIN PROPOSE PEACE

TREND OF NEW NOTE WILL BE INFLUENCED BY SOCIALISTS TAKING ADVANTAGE OF WILSON'S VIEWS

(Special Service to Glendale Evening News)

WASHINGTON, September 6.—Germany is soon to make another peace proposal, tempered in outline by the more radical Reichstag elements. The Erzberger-Scheidemann group are taking advantage of President Wilson's peace views and internal reform ideas to further their plans. If this is done it will put Germany along the way to democratization.

(Special Service to Glendale Evening News)

Rome dispatches detailed the greatest concentration of men, artillery and aeroplanes on the Italian side, this front ever witnessed. British and French artillery are aiding in the land fighting and in the Gulf of Trieste British and French warships are co-operating with the Italian navy in shelling Pola, Austria's great Adriatic naval base.

MANY SIGN PLEDGE

OF GLENDALE LEAGUE FOR HOME BUSINESS AND BETTER BUSINESS

"The undersigned, believing it would benefit Glendale, will patronize Glendale Business People as much as may be practicable and give them the benefit of the doubt."

This simple, basic plan for more profitable and mutual co-operation among Glendale people is being signed by almost everyone who can be seen. The idea is to canvass the whole city. A few individuals refuse to sign. It seems a bit strange for some to refuse, as they each make their living right here in Glendale.

But one beauty of living in a tree country like this is that you may do what you please so long as you please to be lawabiding, and do not have to give a reason for what you do or refuse to do.

The following signatures were taken just as people were found having leisure to read and sign, which they did with varying degrees of interest and enthusiasm, according to temperament, temper and talkativeness: J. Sherman, tailor, Harry Sherman, J. B. Doner, David Francy, I. A. Flint, Clifford A. Cole, Geo. H. Bentley, Bentley-Schoeneman Lumber Co., R. L. Hendricks, Mrs. D. Carney, C. E. MOSHER-APPERSON

Mrs. S. J. Mosher and daughters, the Misses Ella and Helen, and son Ezra, accompanied by Miss Isabel Scherer of Pasadena, attended the wedding of Miss Edith Apperson and Dr. Geo. E. Mosher, eldest son of Mrs. Mosher, in Pomona on Wednesday evening.

The wedding was a very pretty affair, held in the Pomona Christian Church. The bridal couple were attended by Lena Apperson of Watsonville, Cal., sister of the bride, and Ezra D. Mosher of Glendale. The twin nieces of the bride, Maxine and Morine Cornell, acted as flower girls and little Thomson, also a niece of the bride, carried the ring in a dainty pink lily. Miss Margaret Stover presided at the organ.

After the ceremony a large reception was tendered the bride and groom.

Dr. and Mrs. Mosher will spend their honeymoon at Big Bear Lake, after which they will reside in Pomona.

INSURING OUR FIGHTING MEN

The plan of Secretary of the Treasury McAdoo for life and indemnity insurance for the soldiers and sailors of the United States, after discussions by representative insurance men and report on by advisory committees, has been put in definite form and submitted to President Wilson.

The President's comment was as follows:

"I have examined the enclosed papers very carefully and take pleasure in returning them with my entire approval."

A bill has been introduced in Congress along the lines suggested by the Secretary of the Treasury and approved by the President.

In essentials it is proposed that the government furnish at cost to the soldiers and sailors of the United States life and indemnity insurance.

The main features of the Secretary's plan are that the government shall bear all the cost of the administration of the insurance plan and that no expense of any kind shall be a charge on the funds created by the payment of premiums by the soldiers and sailors. Relieved of over-head charges, eight dollars a year for every thousand dollars insurance will be an adequate charge, under the plan, and this figure will put the maximum insurance of ten thousand dollars within the reach of practically every private soldier or sailor. Insurance in private companies would cost many times this sum for men actually engaged in warfare.

After the war the insurance may be converted into other forms. The insurance is to be payable in installments, is non-assignable and free from the claims of creditors of the insured or of the beneficiary, and is limited to the wife, children, and other specified kindred.

If total disability results or disease is contracted in the course of service, the compensation is to be based on percentage of pay, with a minimum, however, of from forty to seventy-five dollars a month according to the size of the family. Partial disabilities are to be computed on a basis of percentages of total disability.

Medical, surgical and hospital treatments, supplies and appliances are to be given. Rehabilitation and re-education of the injured soldiers or sailors, fitting them for lives of activity and usefulness is a part of the plan.

The plan also contemplates free allowances to the families of soldiers and sailors the government supplementing the sums set aside by the soldiers and sailors out of their wages.

The insurance is not to be a gift of the government, but is to be paid for out of the pay of the insured men. The government, however, is to take upon itself the cost of collecting and administering the funds and also the extra hazard caused by the war, the rate of eight dollars per thousand being a normal rate in peace time and an entirely inadequate rate for war risk.

The workmen's compensation laws and the experiences of insurance companies in this country and the laws and experiences of other countries have been studied and used in the preparation of this bill.

Secretary McAdoo emphasizes the justice and rightfulness of such a function of the government by citing the fact that in this war we are not relying upon the volunteer system but are drafting American men and compelling them to undergo danger and, if necessary, make the supreme sacrifice for their country. A higher obligation, he says, therefore rests upon the government not only towards the fighting men, but towards those dependent on them and a just, generous and humane government should see to it that so far as is practicable they should be given this protection, not as a matter of mercy or charity, but as a matter of right. And that they should enter into the service of their country with the certain knowledge that if death or misfortune comes to them they and their dependents are protected by insurance afforded them by their government as part of the compensation for the service they are rendering their country.

In conclusion, Secretary McAdoo points out that while this plan may call for considerable expenditures at present, yet the eventual cost to the government of this plan will be very much less than that which would result from the adherence to the present pension program of the country, and, further, that the pension system will not provide the same benefits nor cover the subject in the same comprehensive, humane and equitable way.

There is no use to which the funds derived from the sale of Liberty Loan Bonds can be put which will be more cordially approved by the people of the country than to provide this just and deserved protection to the men who are braving all the dangers of this war on land and sea in the service of their country.

PACIFIC COAST PRESS COMMENTS

Salt Lake Herald-Republican: Utah should felicitate itself upon the work being done in its mining districts. While other states have been suffering from strikes, this state has been comparatively free from them and our mines are working in nearly all cases at full pressure, helping the government to obtain the metals that it now sorely needs.

Seattle Post-Intelligencer: As a matter of fact, A. W. Leonard,

HYMN TO AMERICA

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law!

O beautiful for heroes proved
In liberating strife,
Who more than self their country
lov'd.

And mercy more than life!
America! America!
May God thy gold refine,
Till all success be nobleness,
And every gain divine!
O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

whatever the shortcomings of the traction company may be, or may not be—regardless of the issues of which he necessarily became the embodiment—is as modest and kindly and conscientious a gentleman as ever walked or rode the streets of Seattle and earned a salary by honest service, and no more of a devil incarnate than James A. Duncan, who, personifying unionism in the crisis now happily passed, pugnaciously earned his salary as secretary of Central Labor Council. Be fair toward both.

Cottage Grove, Ore., Sentinel: During all the time that Congress has been devising ways and means of imposing extra taxes upon the newspapers, the federal departments have been flooding the mails with letters to the newspapers asking for the donation of space.

La Grande, Ore., Observer: A fleet of five wooden ships can be built and operated for the cost of one large steel vessel. If the demand for wooden ships shall continue the Northwest must supply the greater portion of them and in their construction a great army of men will be employed. Up state districts will supply the food and clothing and other necessities for these workmen and their families.

Helena Independent: Montana, with the vision of Congress confronting it, isn't likely to take any chances on convening a special session of the legislature. The boys might spend the rest of the summer, talking war and prohibition and entertaining Joe Pope. Sam Teagarden and listening to county schemes.

Oakdale, Wash., Tribune: The I. W. W. are making a mistake in their menace towards all law and capital, and in advocating the destruction of all forms of property. Let them confine themselves to legitimate educational lines and they will find many of the people with them. On the other hand, should they continue, with their present program, they will in the end become outcasts, with ever yman's hand against them and with no place to rest their heads in peace. The deportation from Bisbee will be an example of the fate that is in store for all of them.

Sanders County, Montana, Signal: At last, after years of wearisome waiting, the government has concluded to put the Camas Hot Spring townsite on the market so that lots can be secured by any one as long as they last, unless the official again bottles the townsite up tight for another indefinite period.

Big Hole Basin, Wisdom, Montana, News: The demand upon the press of the nation for free advertising is unjust, damnably unjust. No such demands are made upon any other profession or trade. Why, then, should the press be called upon to give up so much?

Camas Prairie, Idaho, Chronicle: With big lumber mills being burned, fires starting mysteriously in many places and destroying flour mills, warehouses and cold storage plants, and strikes being called in many of the mining districts over small grievances that ordinarily could be arbitrated without great difficulty, it looks pretty much as if a concerted effort was being made to tie us as many of the industries of the nation as possible at this time. It is a situation that demands drastic action and no half-way measures will suffice. The men at the bottom of the movement should be rounded up and kept closely confined as they are a menace to the nation. In ordinary times they may be allowed a certain amount of liberty, but just now their work is treasonable in the extreme and deserves severe treatment.

BOYHOOD MEMORIES

I love to think of my boyhood days,
Here, lone, by the fireside hearth;
The days I now see that were to me
But season of joy and mirth.
And often the memories bringeth a smile
That makes the whole world seem bright.
At home or at school, 'twas mother's rule,
"Whatever you do, do right!"
I love to think of my boyhood days;
How wildly with joy I sang.
At dawn of the day I'd sail away
For distant Sam-a-rang;
How my heart did thrill as the sails did fill,
And when we first rocked in the swell,
Tho' I think with a tear of the mother, dear,
Lone, waving me her farewell.
I love to think of my boyhood days
As when the home port drew near,
To the yard most high I did nimbly fly,
And eagerly scan the pier.
"Will any I love now welcome me home!"
Ah—what 'mid that throng do I see?
With glad waving hand someone does stand,
'Tis mother that's waiting for me!
I love to think of my boyhood days,
I cherish them more and more,
As clearly I see at last for me
Life's voyage is almost o'er.
And here on the brink I love to think
When I near yon heavenly shore
With glad waving hand my mother will stand
To welcome her boy once more.

SATURDAY NIGHT CONCERT

Mrs. Dora Gibson, who has charge
of this week's outdoor concert, says
there is great enthusiasm among
those who will take part. The very
attractive program was published in
Wednesday's News, and it promises
to be worth going miles to hear.
Glendaleans do not often have oppor-
tunity to hear our efficient city man-
ager, T. W. Watson, speak in pub-
lic. His short talk on "Community
Singing," from the city band stand,
is looked forward to with great in-
terest, and convenient places for
parking automobiles will be in great
demand long before eight o'clock, the
hour set for the concert.

This series of concerts is arousing
so much interest that many Glendal-
ians say, "Why not keep them up all
the year 'round; at the city band
stand during the summer and in the
Glendale Union High School during
the other months?"

That is a good idea. Simple as it
looks, it would keep a great many
people in Glendale who would spend
their Saturday evenings and their
money elsewhere, seeking amuse-
ment. Besides, our Saturday night
entertainments will be so fine that a
great many people from other places
will come here to enjoy themselves.
These delightful concerts will not be
the only attractions. We have in
Glendale first class movies which can
be attended after the concerts are
over. Besides that, all sorts of
pleasant parties will doubtless be ar-
ranged in private houses and else-
where, "after the concert is over."

"Fine idea! Let us keep these con-
certs going all winter. Why not?"
Secretary G. C. C.

TABERNACLE TID-BITS

By Rev. Vernon H. Cowser

The street railway must have no-
ticed a large increase in traffic from
Glendale since the Tabernacle ser-
vices opened at 12th and Grand. Not
only the pastors and leading church
workers, but many of our citizens are
taking advantage of the rare oppor-
tunity to hear the famous evangelist.

Tickets have been distributed for
reserved seats for the young people
of our city who attend the Taber-
nacle Friday night of this week. Mr.
Sunday will preach a sermon of spe-
cial interest to young people. It will
be a hummer.

The theme of Billy Sunday Day to-
morrow night will be "Home," and
the meeting will be of special inter-
est to parents. Those who have heard
this sermon say it is one of the most
powerful the evangelist preaches. Let
all parents who can, plan to be
present.

Much interest is being aroused in
the Men's Bible class movement by
the announcement that Thursday
night the 13th inst. has been set
apart as Bible class night at the
Tabernacle. We predict much friend-
ly rivalry amongst the classes for
leadership in the number of men who
can be lined up in the different
classes. Let all the men of our city
reserve this night for that special
meeting. It is always one of the
greatest nights of the meetings.

Local church members are re-
minded that the Tabernacle plans are
such as to interfere the least pos-
sible with the regular local church
services. Local members can help
the Sunday campaign most by faith-
fulness to the local church meetings
at such hours as the local services
are held. The local churches are
asked to hold their weekly prayer
meetings on Monday nights during the
Sunday campaign. The Baptist church
has already voted so to do, and we
presume this will be the order in all
the co-operating churches.

Those who have heard Mr. Sun-
day are loud in their praises of his
powerful messages. Whatever we
may think of the man or his mes-
sage, after hearing him, we are will-
ing to concede that he is a perfect
whirlwind of blood-red earnestness—
one of God's prophets for our strenu-
ous times. Hear him once and you will
not want to miss a single sermon.
Even remarks about the weather are
taking a back seat when people meet,
the usual greeting being, "Have you
heard Billy Sunday?"

Next Sunday morning is to be
Glendale Day at the Tabernacle, and
that means also Tropico, Casa Ver-
dugo and Eagle Rock. All our
churches have been asked to unite
the morning service with the Taber-
nacle meeting. The demand for tick-
ets has already proven greater than
the committee could possibly supply.
Should any holder of a ticket find he
cannot use it, let him turn it over to
his pastor at once, as that pastor will
know a dozen or more people who
will be glad to use it. Ticket hold-
ers are also reminded that seats will
not be reserved later than 10 a. m.
sharp.

NOTICE

In view of the recent decision of
the California Railroad Commission
raising gas rates in Glendale from
68c per thousand cubic feet to 80c,
the Board of Trustees desires to dis-
cuss with the citizens of Glendale the
advisability of instituting proceedings
looking toward the establishment of
a municipal gas plant operated by
the Public Service Department. To
that end, a public hearing will be held
Thursday, September 6th, at eight
o'clock p. m. in the Council Room at
the City Hall. All citizens are urged
to attend this hearing and express
their views in regard to this matter.

BOARD OF TRUSTEES OF THE
CITY OF GLENDAL,
By T. W. WATSON,
City Manager.

Frank R. Liddell, Jr., of Battery
F, came down from Arcadia on Wed-
nesday evening and dined with his
parents, Mr. and Mrs. F. R. Liddell,
234 North Kenwood street.

**WILL CONSIDER THE GAS QUES-
TION**

If you think your gas rate has been
too high, or if you think it will be
too high, come out to the meeting of
the Board of City Trustees this even-
ing at the City Hall, prepared to ask
questions and give information.

WEATHER FORECAST—Fair to-
night and Friday. Westerly winds.

A most delightful dancing party was given by Miss Dorothy Lester of Flintridge on Saturday evening, September first. Mrs. Flint, Mr. and Mrs. Lester acted as chaperons for the evening. Those present were Misses Aldine Norton, Helen Cooper, Ruth Green, Margaret Van Degrieff, Lulu Green, Harriet Lanterman, and Messrs. Douglas, Howard Stickney, Marion Lea, Max Green, Cecil Van Degrieff of La Canada, Misses Marie Boycott, Clara Roblins, Mr. Nelson Roblins, Dr. Haywood, Mr. Roger Prior, Miss Ed Caldwell, Mr. Black of Los Angeles, Miss Nellie Helfrich, Mr. Robert Van Dusen, Mr. Richard Schaub, Mr. Tom Lea of Pasadena, Miss Ruth Lancaster of Balboa and Miss Lucile Levy of La Crescenta.

The regular meeting of the La Canada Red Cross was held Tuesday afternoon in the school building. The day being unusually warm, the attendance was not quite as large as it has been. All ladies who are interested in Red Cross work are especially urged to come. The meetings are held each Tuesday afternoon.

Mrs. Metcalf is home from the Pasadena hospital with a fine seven and a half pound boy. Little David Metcalf, who has been spending several weeks with Mrs. Metcalf's sister in San Francisco, is expected home in a few days to see his new brother, Kenneth Herbert.

The "Busy Fingers" held their regular meeting Thursday afternoon at the home of Mrs. Edwin Cooper. The young people have shown unusual interest in their work, having made money enough to buy yarn by selling candy and ice cream at the La Canada Improvement meeting. Knitting was started by the young girls and intense interest was shown in taking up this new line of work. Wash rags are being made by the Busy Fingers and especial mention is due the two younger members, Alta Lee and Inger Nyby, who knitted one half a wash rag during the afternoon. All who are interested in this work are invited to come, the regular meetings being held Thursday afternoon. Those present Thursday afternoon were Misses Opal Lee, Flossie Lea, Alta Lea, Margaret Armstrong, Anna Armstrong, Joan Smalley, Margaret Miller, Pearl Slutman, Alma Armstrong, Inger Nyby, Catherine Maynard, Sarah Christian and Janet Metzger.

Mr. and Mrs. John Armstrong and family spent Labor Day at Brookside Park, also Mr. and Mrs. Lee. Special celebrations were carried out appropriate to the day. A good time was reported by all.

In honor of Miss Jones of Los Angeles and Mrs. Guidinger of Pacoima, Mrs. Frank Granger entertained last Wednesday afternoon. Miss Jones and Mr. Granger were former schoolmates in the East.

Keep your eyes open for the next Improvement meeting. Mrs. Murray, Mrs. Lester and Mrs. Fenton Knight have charge of it. When three such names are mentioned, "nuff sed."

Robert Cooper received his final call Tuesday, September fourth, from the War Department. He reports at once in San Pedro. Mr. Robert Lee has enlisted in the quarter-master reserve corps.

Reverend Hardy, who was the La Canada pastor fifteen years, will give the Sunday morning sermon. Everybody is urged to come out and give Rev. Hardy a "hearty" welcome.

Miss Henrietta Horn returned Tuesday evening from several weeks visit in Salt Lake City. Miss Horn reports a delightful visit and trip.

TUJUNGA

The R. R. Commission held its adjourned session at Bolton Hall on August 29. There was a large and interested attendance. The first part of the case was disposed of, except the arguments, in a two days' session. Then the meeting was again adjourned to September 25th, at the same time and place, when the case will be argued and the second phase taken up. The first was for service and the second will be for a raise in water rates.

The Tujunga news was omitted last week, not from any fault of the correspondent. The items were sent in on Wednesday but not delivered to the Postoffice in time to reach the printer.

The Ladies' Aid met on Thursday with Miss Brown on Monte Vista boulevard.

The property of E. Smith on Walnut was sold to Mr. Duke of Los Angeles on Tuesday. Mr. Duke is one of the bookkeepers of the United Groceries (wholesale) of L. A., but is so much impressed with the beauty of Tujunga that he has decided to cast his lot in with us. Mr. Smith will go to Imperial Valley to take charge of a large ranch. The sale was made through Dean & Co.

Mr. and Mrs. Wright and children have returned from a week's outing at Santa Monica on Tuesday.

Rev. and Mrs. Brown of L. A. are occupying the home of Fred John-

son on Pine street during the month of September.

Mr. Childs of Los Angeles, and formerly of Lexington, Mo., was a visitor for two days' last week in Tujunga. He found that both W. H. Wieman and Clifford Stewart were from his home town, and enjoyed the time here in talking over old times and the many mutual acquaintances of each.

The ladies of the Red Cross Auxiliary are very busy and each week sees a large amount turned over to the Pasadena Chapter. One hundred surgical pillows were taken in last week beside pajamas, surgical shirts, and abdominal and T bandages. The knitting club is not to be outdone by the sewing club, and numbers 22 members, who have knitted helmets, scarfs, socks and bandages galore and seem to be much interested in the work. The young people Endeavor have surely done their share in snipping for the 100 pillows.

Dr. McArthur of Glendale has rented rooms at Ben Clark's home on Sunset boulevard and on the 19th of September will open his dental office. The Doctor is well known by many of our residents, who will welcome him in our midst.

Only about fourteen people attended the meeting of the Red Cross at Bolton Hall Sunday eve. We would like all who can to help, and every one in the Valley to send in bits of clean cloth for "snips," anything save red or green colored cloths, cotton or wool.

Mr. and Mrs. Springer have rented the Westel house and are much pleased with Tujunga. They have just returned from Flagstaff, Ariz., but do not speak in glowing terms of that place. Conditions and food prices are very high.

Mrs. Ensign Woodruff was in Los Angeles for two days.

Mr. and Mrs. Stewart and Mr. and Mrs. Darlington motored to Long Beach on Monday.

Dr. White is building a new stone garage on her lot, and also a stone fireplace. Mr. Terry was the contractor.

Miss Kraft, Miss Bissenden and J. H. Free motored to Chino last Sunday and returned on Monday.

Mr. Douglas and wife are spending a few days at their home on Monte Visca boulevard.

We regret to learn that the severe illness of Mrs. Bertha Hardy necessitated her being moved to the hospital in Los Angeles.

Mr. and Mrs. Malona were visitors in Los Angeles on Tuesday.

Mrs. Smellie has moved into Mrs. Shaner's house on Sunset boulevard for the winter, while Mrs. Shaner is in Los Angeles.

Wm. Porter and sister have taken the Sullivan house for the winter.

Glorietta Heights school will open on September 10th, with Miss Salstrom and Miss Wilson as teachers.

World's Biggest Circus and Spectacle "Cinderella" Announced for Early Date

Announcement is made that on Monday, Tuesday and Wednesday, September 10, 11 and 12, Ringling Bros. circus will give afternoon and night performances at Los Angeles.

The famous showmen are this season presenting an all new and wonderful program. The tremendous fairland spectacle, "Cinderella," will appeal to both young and old. More than 1000 persons take part in it. It is easily the biggest spectacle Ringling Bros. have ever staged and its glorious "Ballet of the Fairies," with 300 dancing girls, is in itself worth going many miles to see. Following "Cinderella" 400 arena artists appear in the main tent program. The Ringlings have secured scores of circus performers never before seen in America. An entire trained animal show has been made a part of the main tent program this season. The menagerie now numbers 1009 wild animals. The elephants, including "Big Bingo," the earth's largest pachyderm, have been increased to 41 and almost 800 horses are carried. There will be 60 clowns and a big free three-mile street parade show Monday morning.

Quite a number of firms and also individuals have copies of this Glendale League agreement, and are getting their employees and neighbors and others to sign it. There ought to be thousands of signatures, and there will be, for Glendale people are willing to help on any movement which really helps Glendale.

Copies of this agreement can be had at the Chamber of Commerce, and the more people who will take them and get a few signatures, the sooner the whole city will be canvassed, and the quicker good results will be manifest in improved Glendale business. If by reason of this simple, basic effort at co-operation for our mutual benefit, the ten thousand people naturally tributary to Glendale should spend in Glendale an average of only five or ten dollars of what they annually needlessly spend elsewhere, just figure up how much more cash would be circulated in Glendale, and how it would benefit business here.

As a matter of self interest, it is worth careful consideration, for that fifty or hundred thousand dollars kept circulating in Glendale would work wonders. Think it over.

Then why not do your bit in helping on so desirable a consummation. It would be a material help, if you cut out the coupon at the head of this article and sign it and send it to the Chamber of Commerce. Why not paste it on a sheet of paper, and get a few others to sign it, also; just those you can conveniently reach. Many others are doing it. "All for Glendale."

This is a widespread Glendale movement inaugurated and carried forward by the Glendale Chamber of Commerce.

Will not every one interested in the main object of the Glendale League for Home Business and Better Business speak a good word for it and, perhaps, persuade some one to get other signatures? Blanks will be furnished to all who ask for them at the Glendale Chamber of Commerce, 1010 West Broadway, Sunset Phone Glendale 249-J, Home Phone Blue 258. They will be delivered by mail, or as requested. The more people who sign the better, for concert of action is what counts for better business.

The first vessel of the schooner type was launched at Gloucester, Mass., in 1713. The boat was in the water, and Captain Andrew Robinson was about to christen her with a name which has not been recorded when one of the bystanders cried out, "See how she scoons!" The captain at once took the cue and said, "Schooner let her be." That, declares the dictionary, was the origin of the word "schooner."—Christian Science Monitor.
